Dear Parent,

We are excited to implement a new web-based curriculum called MobyMax in our classroom. MobyMax is tailored to your child's individual needs, and I think you will be very impressed by how fast your child will excel while using Moby. Moby's features include:

- Placement tests that accurately identify where your child excels, and where his or her "missing skills" are
- Targeted instruction to "fill in" those missing skills
- Systematic review sessions that ensure that your child retains 100% of what he or she has learned

Best of all, your child can access Moby from your home computer at any time.

Login steps for your child:

1. Please go to www.mobymax.com/signin
2. Enter School Code: ut351
3. Enter

Username: Your child's Student ID Number

Password: Your child's Student ID Number

Once logged in, your child will immediately start the lessons and begin improving his or her missing skills.

You can sign in as a parent as well by selecting "Parent" from the drop-down menu and entering your child's username and password. You will be able to monitor your child's progress and even send messages to me.

Sincerely,

Vickie Dean, M.Ed.
