

McGraw-Hill School Education

Installing the ConnectED Mobile App for iPad *Step-By-Step*

Be sure you have:

- An iPad, An iTunes account (Apple ID), An Internet connection

1. On the iPad, open the App Store

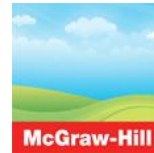

2. Go to the "Top Charts" tab at the bottom

3. Tap in the upper-right corner search field and type "mcgraw connected"

4. Select the result: "McGraw-Hill K-12 ConnectED Mobile"

5. The app will be in the list shown under "iPad Apps", with this icon:

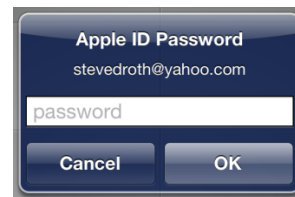

6. Tap the "FREE" button next to the app

7. The button will change to say "INSTALL APP". Tap this button.

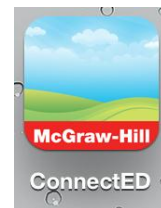

8. A pop-up will show, asking for the password for the Apple ID registered on the iPad

(If you do not have an account set up or do not know the password, go to the Settings of the iPad, find the "Store" settings and configure)

9. Upon password entry, the main desktop of the iPad will come up, and the app will begin loading, with a progress bar.

10. Once the app is finished installing, tap to open

11. Enter your ConnectED username and password to access the app

12. That's it!

Alternative - direct link to app for installing from iTunes on a PC:

If you prefer to install from iTunes, access the app at the URL below, download it, then plug in the iPad and sync with iTunes.
